### **Telephone Interview Summaries**

On October 2, 2008, the undersigned spoke to Examiner Armstrong regarding the Notice, and what specific amendment notation should be used to respond to the Notice. Examiner Armstrong requested that all pending claims be included in any response to the notice (not merely amended claims) and that the claim listing reflect cumulative changes to the claims.

On October 8, 2008, Examiner Armstrong left a voicemail message for the undersigned stating that the draft proposed response to the Notice, sent to Examiner Armstrong on October 3, 2008, would successfully respond to the Notice. The above listing of claims is the listing of claims submitted in the October 3, 2008 draft proposed response.

No prior art was discussed in any of these telephone interviews.

### **Response to Notice of Non-Compliant Amendment**

The listing of claims, above, is submitted in response to the October 2, 2008 Notice, and is believed to be a proper response to the notice. Note that no actual amendment is being made in this paper. Rather, as per the October 2, 2008 discussion between the undersigned and Examiner Armstrong, the claim listing above merely reflects the cumulative amendments made in the above captioned application prior to the June 8, 2007 Response to Office Action

The Examiner or any other person at the Office is invited to telephone the undersigned to discuss any still outstanding matters with respect to the present application.

No fees are believed to be due associated with this paper. However, if any such fees are due, please charge such fees to deposit account No. 50-3355.

Respectfully submitted,
